Special Collection: August 10/11 for the JP II Newman Center

About the JP II Newman Center:

"In the Archdiocese of Omaha, we have a parish that is unlike any other parish.

"The St. John Paul II Newman Center near the UNO campus is a parish like ours, except its parishioners happen to be college students.

"Many of these students are venturing out on their own for the first time, away from the watchful eye of their parents, parish priests and teachers. Because of their vulnerability to the demands and deceptions of the secular world, there is an urgent need to keep students rooted in their faith. Catholic students need a place to call their own – a place for faith formation, prayer, friendship with Jesus, recreation and entertainment.

"While having beautiful common spaces for study, reflection and community, and a church to worship and pray, the JP II Newman Center is unique because there is modern apartment-style housing for college students near the UNO campus.

"The JP II Newman Center is changing the lives of college students. That's why parishes across the archdiocese are holding a special collection. Your financial support will provide the opportunity for students with common values to continue their faith journey through their college years and will encourage students to be leaders in their future parishes and communities.

"Please prayerfully consider giving to JP II Newman Center special collection."
